

# Student Education Innovation Brainstorm Sheet

Project name

Team members:

Fellow's name:

Meeting date:

What is the **big problem** you're trying to solve?

What is the **specific pain point** you're addressing?

Who are your target **users**?

What are you most **uncertain** about right now?

What do you know about your potential users?

What could you do in **three months** with **\$500** to help develop your idea? What could you test?

What are **resources** you could use to to support you?

Who is on your **cross-functional team**?

What are your **next steps**?
